5th Sunday in Ordinary Time

Message from Fr Bernard

This year our parish will have a special experience of Lent. It will be called We walk with Jesus, in Lent.

Jesus calls and welcomes us into His life. This encounter with Jesus is a privilege and also a challenge, it brings responsibilities. He calls us to be His light and salt to the world.

Lent reminds us that our journey with Jesus, is undertaken with the Body of Christ, His members. The Good Shepherd is always with his flock. Lent is very much a journey of the Community. It is especially as a community united in faith that we are Christ's Light to the world.

Reflection:

Jesus calls us to walk together with Him as His Body, as a community. All are welcomed into this journey, the 'lost sheep' especially so.

How true is this for me, for our parish community, would I like to experience this more deeply, more personally?
