19th Sunday in Ordinary Time

Reflection:

The parables today are particularly pointed in their use of images like break-ins and surprise returns. Those responsible for administration, spiritual leadership and the church's dealing with social issues (like abused workers) will be held accountable for the care of the household; the well-being of the servants.

So we ask ourselves:

- What responsibility in the Lord's household have I been given?
- How faithful have I been to doing what I have been given to do in the master's absence?

St Vincent de Paul Society

A special Festival Mass will be celebrated at the 9.30am Mass next Sunday 14 August and will be hosted by our local conference. The State President of the St Vincent de Paul Society will be attending and members of 11 Conferences will be coming to support commissioning of new members/presidents. Thanks to the Parish Community for your ongoing support to our Conference.
